Planning Your Trip

The club/ class advisor must inform the activities coordinator (AC) in the Development Office and his/her area principal of the possibility of a trip.

- If it is an established **traditional trip** scheduled on the School's calendar, with a preset budget for chaperones, the advisor must set a meeting date with the AC to discuss when this trip will be held during the school year. He/she needs to provide the number of students participating, the list of names, traveling dates, event dates, hotel and transportation information so that logistics can be worked out properly.
- If it is a **new trip opportunity** for a specific club, the advisor **MUST PRESENT** a written proposal that specifies the trip's objectives, costs, place, dates, etc. to both the development director and the area principal. The proposal will be discussed with the superintendent. The advisor **MUST AWAIT RESPONSE** and, if approved, must follow steps stated below.

The **advisor** must be made aware of which students are eligible to go on the trip.

- The advisor must send the list of students wishing to attend the trip to his/her area principal two months before the trip. The principal will proceed to investigate whether the student is eligible to participate. He/She will do this by asking the counselors, assistant principals and business office to review grades, discipline records, attendance and tuition payments. A google sheet with all the information will be administered by the assistant principal and shared with all parties involved. All information required must be filled out by the person in charge of each area upon reception of the list of candidates. The principal will base approval on school policy and contact the advisor with the results. In addition, the advisor **must adhere** to the specific event's, tournament's or conference's specific admission policy.
- The advisor must then make available the list of students to the activities coordinator in order to begin making arrangements for buses and/or flights.

- A deadline will be set by the AC for each group as to what will be the last date to get the list of students traveling. **This deadline must be met** in order to ensure travel and hotel accommodations for the students as well as set the exact price for the trip.
- Any name change or addition after deadline is set will not be allowed. If extreme and unforeseen circumstances arise, authorization must be given by the school's superintendent.
- A deadline for student payment of the trip will be set by the AC once the parents sign and return the INVITE LETTER (See Appendix C) which will be sent home with the students.

Parents

- Once the trip has been scheduled and the student list has been approved by the area principal, the advisor must send a hard copy and a virtual letter (previously approved by the AC) to the students' parents which must include all the relevant information of the trip: trip's objectives, traveling dates, places, costs, etc. plus the *Trip Commitment Payment Form* to be signed by the parents (See Appendix C). This form is to be returned to the advisor by the date set by advisor. Once the advisor has all the returned forms, he/she will give them to the AC. This must be done before the travel reservations are made.
- The advisor must invite parents to an informative meeting to be held at least two weeks before the trip. **Make sure to give parents plenty of notification for this meeting.** The time and place will be set jointly by the AC and advisor.
- The trip's schedule/itinerary, rules of behavior along with their consequences, and signature forms should be reviewed at this meeting. Students can be invited to this meeting or if needed, a (optional) meeting for students can be arranged depending on advisor's needs.
- All information from this meeting must be posted on the advisor's website and e-mailed to all parents involved in the trip. A signature sheet must be passed around for attendance. Advisor should make parents aware of the parent's clause in this handbook regarding rules and policies for parents.

List of Traveling Forms

At this meeting parents must fill out, sign and return the following forms (See Appendix A-H):

1. ***Declaration Form:*** This form ensures the advisor and administration that the student and parents are aware of the rules, regulations, and consequences for school trips.
 2. ***Non- Scholastic Activities Form:*** This form allows or denies student participation in activities other than the ones for which the trip was intended. Use of the pool, beach or other unforeseen tour-type activities must be supervised by members of the school staff.
 3. ***Student Trip Medical Form:*** *This form gives specific medical information for each student as well as emergency contact information for each student.*
 4. ***Student Trip Dismissal Form:*** This form is to be used if parents know ahead of time their child will not be traveling home with the group.
- Advisors should receive a chip for their cell phone for international calls before the informative meeting from the AC. Make sure parents receive this number.
 - Regardless of whether the parents attend this meeting or not, ALL FORMS must be completed and returned to the advisor before the trip takes place. STUDENTS MAY NOT GET ON THE BUS/PLANE WITH OUT ALL THE COMPLETED AND SIGNED FORMS.

Parents are welcome to accompany the group but must abide to the following rules:

- Parents must arrange and pay for their own transportation and all costs before, during, and after the trip.
- Once on the trip, students are the school's responsibility and must travel with the group at all times (not with parents).
- Parents are not allowed on the students' bus (any exception to this rule must be approved by the school's superintendent).

- Students must share a room with classmates of the same sex and approximate age. **Parents and students may not room together.**
- **PARENTS MUST ABIDE BY ALL RULES OF THE TRIP AND MAY NOT OVERTHROW SCHOOL STAFF'S AUTHORITY.**
- Students must travel to the conference, event or tournament with the school's group/ team. Transportation back to the school will always be made available to students and chaperones regardless of the amount of students returning.
- Students can return from the event with his/her parents. A dismissal form must be completed or an email can be sent to the administrator in charge informing the school that the student will be returning home with his/ her parents. This can be done during the event or during pick up.
- If a student will return with someone else other than his/her parents, the *Student Trip Release Form* (See Appendix F) must be completed, signed, and presented to the advisor prior to the trip stating the name of the person who will be bringing him/her back. For liability reasons, e-mails, faxes, text messages or phone calls cannot be accepted by the advisor.

Prior to Traveling

- It is the student's responsibility to notify teachers of their upcoming absence and take care of any work/lessons missed with the teacher. The advisor should remind the students to do this as soon as they know they are traveling.
- The AC will send the final list of students traveling to all principals one week before travel. The principal will then make this list available to all teachers.
- Advisors must be sure all students are aware of the behavioral rules and their consequences while traveling. This includes specific rules for the bus, hotel, and event (see Rules and Procedures).

- Advisors will be assigned an administrator in charge (AIC) and chaperones (1 chaperone per group of 10 students is suggested). In cases where only 1 chaperone travels as both chaperone and AIC, he/she must establish a support mechanism with the organization hosting the event in the case of an emergency. Check with the AC to find out who they are and get contact information. If the advisor has chaperones they would like to take, let the AC know.
- Advisors should get in contact with chaperones before the trip and invite them to the informative meeting with parents (or a separate meeting) to go over duties and/or to give any specific details of the trip that might be helpful for the chaperone. The advisor must make copies of the *Chaperone Duties* (See Appendix K) and make sure each chaperone receives one before the trip.
- Advisors are responsible for creating and copying the daily schedule and agenda for the trip. Each student should receive a virtual copy before the trip as well as a hard copy on the departure day. This document should also contain contact information for the advisor, the administrator in charge, and chaperones.
- Advisors are responsible for having all student's cell phone numbers.
- Advisors are responsible for coordinating which students will go on which bus and who the chaperones will be for each bus. Chaperones are responsible for making sure all students are present on their bus before leaving any venue.
- Advisors must obtain and carry with them on the trip the following items:
 - All student forms (emergency contact information for each student is found on the *Student Trip Medical Form*, see appendix D).
 - Medical kit (obtained from the school nurse by the AC)
 - Bus care kit (provided by the AC for local travel)

 - Extra copies of the daily schedule and itinerary
 - Excel spreadsheet of Non- Scholastic Activities Waiver for students.
- 1-3 days prior to travelling the advisor will receive the following documents from the AC:
 - Flight itinerary and tickets
 - Hotel information
 - Advisor and students' insurance cards
 - Per Diem: Money to cover travel expenses will be given to each chaperone either via check or by deposit to their account. The per diem is calculated with the PER DIEM CHART previously approved by the superintendent. The advisor must arrange cashing the check or taking the money out from his/her account on his/her own.
 - A cellphone chip will be provided for by the school for emergency communication.
 - Advisor Checklist (See Appendix J)

Students must be eligible to travel. Below are eligibility requirements for travel.

Chaperon Expectations, Responsibilities and Duties

Expectations

Generally, chaperones will accompany the students at all times during a tour and provide

Assistance as requested by the director, including conducting hotel room checks, being responsible for an assigned group, escorting students as needed, purchasing water/snacks, etc. Prior to the tour, the Director will hold a short meeting with chaperones to educate them on the expectations for the trip.

It is expected that chaperones:

- are responsible individuals who behave and dress professionally at all times
- use appropriate behavior and language at all times
- are prompt and in attendance at all events and specified locations
- act in accordance to the responsibilities and duties outlined in this information sheet
- have read the itinerary and are familiar with each day's events
- carry their chaperone folder with them everyday

Responsibilities

The primary responsibility of the chaperones is to assist the director and the students to help ensure a safe and fun trip for all.

Responsibilities Include:

- Chaperones may only leave the tour group to pursue other activities if the Director gives approval.

- Often, at least one singer gets sick on tour, and a chaperone may be required to stay with the singer and miss whatever activities the rest of the group is doing that day.

Responsibilities Include:

- Chaperones can help the Director by presenting a positive attitude, particularly on long days or when unexpected delays and events occur that may cause grumbling among the singers. Modeling a “go with the flow” attitude can go a long way in teaching the singers how to deal with frustrations of a trip.
- Chaperones should consult the Director when faced with issues that require student discipline and report any problems/concerns to the Director as soon as possible.

Duties

Each chaperon will be assigned a group of students they are immediately responsible for, but are also responsible for the group as a whole. There are also daily duties that will be assigned to specific chaperons to be assigned at the chaperon meeting.

Student Group Duties Include:

- Check –In: check in for their group includes keys, room check for damage, anything the students need
- Daily responsible for getting their group to where they need to be and on time (airport, breakfast, bus, meeting locations, dinners, end of day debriefing, etc.)
- The personal wake up call for their group every morning (see itinerary for time)
- Room checks to make sure their group is in their room every night at the right time and one more check at lights out
- Make sure students are wearing proper performance attire and have everything they will need for the day
- Check-out: check hotel rooms for left items upon check out

Daily Duties:

- Make sure we leave a clean bus after every trip
- Make sure the medical kit is with us everywhere
- Dispersing menus and getting orders for eateries (if needed)
- Assisting the Director where ever needed
